

Chef Oscar Moreno, Executive Chef | MeXo

Chef Oscar Moreno credits his passion for food rooted in the importance it had in his family life while growing up in Puerto Vallarta, Mexico. That passion grew while he worked under Chefs from several different countries, enriching his appreciation for different cultures. This led him to make his career working in a variety of spaces from resorts hospitality to international cuisine to restaurant management. Now, he's sharing his passion with guests of MeXo through a dining experience like no other. MeXo is located in the heart of downtown Grand Rapids and is a pre-Hispanic influenced, modern Mexican cuisine delight. Here you will revel in Chef Oscar's authentic regional cuisine; craft margaritas, extensive tequila and mezcal selection. And don't forget the homemade tortillas. Chef Oscar was recently awarded the American Culinary Federation Greater Grand Rapids 2021 Chef of the Year as well as being named 2019 ChoppedGR Champion.
